Press Release

The legendary GM Susan Polgar and her husband Paul Truong visited Kansas City for public speaking engagement on June 28, 2011 at the Central branch of the Kansas City Public Library.

From 6:30-7:15 that evening we watched Susan's documentary made by National Geographic. Reviewing Susan's life made a lot of members of the audience ask very interesting questions in the later Q & A session. She fielded questions from adults and even some kids. Susan did an excellent job with her presentation and it is posted on this site.

Susan was also kind enough to sign chess boards afterwards on the supercool GLOS chess boards.

For Release: July 1, 2011

Then Susan was kind enough to make her way over to The Westport Chess Club and really surprised all the members. I don't think I've ever seen so many people at the club. Talk about a super celebrity. Many members came over and greeted Susan to which she reciprocated.
